

Weekly Newsletter

Friday 14th October

Another busy week has passed. Children and staff have been busy working hard and I have seen lots of children with their merit work, justly proud of their achievements.

Harvest Donations

This week, the children were lucky to have a visit from the Hedge End Food Centre who were delighted to receive the Harvest Donations from Kings Copse. Thanks again for your generous donations which will undoubtedly make a big difference to some local families.

Book Fair

The Book Fair will be in school next week. Children will be able to go and visit the stands to see if any books take their fancy. Staff will be manning the Book Fair after school on Tuesday, Wednesday and Thursday so that you and your child can come and purchase any books you would like. As a school we get commission from the sales, which we use to purchase further books for children to be able to use and enjoy in school. Children will bring home a leaflet about the choices of books on Monday for your information. It will be helpful to us if you could bring change instead of notes to pay for the books.

PTA AGM – Thursday 20th October (3.30pm)

Please come along to the Annual General Meeting for parents that is to be held next Thursday. During the meeting, the PTA will vote for whether they want to retain charity status which enables us to continue to raise healthy sums of money which we can use to enhance the provision for your children in school. In order to do this, a chairperson and a secretary need to be elected in order to make this happen. The alternative is to continue as a PTA without charity status, where there is a limit to how much money we can raise. Either way, a small committee of people are needed in order to ensure that events can continue to be run for enjoyment and fundraising purposes. Please come and join us so that you can have your voice heard.

Snacks for snack time

Children in YR, Y1 and Y2 all get a piece of fruit provided each day. As a school we try to promote healthy snacks for all children to eat at break time to help to ensure their concentration and learning focus is as good as it can be. We would be grateful if you can support us with this message by saving crisps, biscuits, cakes and other snacks like these for lunch time and treats at home.

YR outside area

Please be reminded that this area should not be used for children to play either at the beginning or the end of the day. Thank you for your support with this.

Have a great weekend.

Hayley Ferguson

Discussion of the Week

Is it someone's words or actions that make you feel happy?

Merits

Silver

Pippa (Y2)

Well done everyone!

Travel Survey reminder

Please remember to get your survey returned by Friday 21st October
