Discussion of the Week

Another incredible week! Although it is such a busy time of year, it is so brilliant to be able to showcase some of the best things that have been going on. I was so proud of every one of the KS2 children who took part in the 3 performances of Cinderella Rockerfella this week. Amazing singing, acting and participation resulted in brilliant entertainment and I continue to be wowed by the talent, confidence and enthusiasm of Team Kings Copse. I would like to echo my thanks to parents for your support with learning the parts, songs, dance moves and fantastic costumes. I would also like to thank the staff who helped bring it all together. Our PTA continue to support us brilliantly, so my thanks go to them (again!) and finally, *THANK YOU CHILDREN* for being so amazing. We managed to raise donations of more than £200 that will be given to Naomi House.

Shuffle up morning

This morning children and staff teams have spent the morning excitedly getting to know each other through a series of fun activities. The children all seemed really positive, focused and settled and went off to lunch with broad smiles on their faces. We appreciate that this time can be daunting for children, so as always, if you have any concerns about this, please come and talk to us.

Children, Staff and Parent Survey

Earlier in the term, around 30 of you completed surveys to share your views with us. This week, all children in school have completed the same survey in their classes alongside their teachers. Staff will also be doing the same survey at the end of the term. Governors would like parents to be given the opportunity once again to fill in the survey. This will help us arrive at a collective view of what we are doing well and what our focus areas for next year need to be. Coming home with your child today is a paper version of the survey. If you have already shared your view, please do not feel like you need to do this again. We value your input and want to continue to work with you and your children to make further improvements to our school.

School Meals

With effect from 1st September the Hampshire school meal price will increase from £2.15 to £2.30.

Please keep an eye on the calendar for the last week – there are still lots of things going on! Please join us for these if you can. You are very welcome.

Hayley Ferguson

What are you motivated by outside school?

Lost Property

We are now coming to the last week of term and have lots of items of clothing, water bottles and other items in our box. There will be a table displaying these at the end of the school day outside. If they are not claimed by the end of the week they will be disposed of. Please take the time to come and have a look.

Many Thanks

Dates for Diary

16 th July	Year 1 & 2 Pirate Day
17 th July	Recorder/Woodwind concert at 2.30pm
19 th July	Drum concert at 10.45am
