Discussion of the Week

What an amazing week! With time ticking down rapidly to the end of the school year, great things are still going on all over school and I continue to be proud of what everyone is up to. Children and staff remain on timetable, continuing to work hard on their English and maths. Key Stage 2 are extremely busy preparing for their performance next week of Cinderella Rockerfella. From the snippets I have seen and heard so far, a fabulous performance is in store! Reports and information regarding staffing teams come out today. I hope that you find the reports reflect how hard your children have worked over the year.

Listen to Me

Y2 and Y4 wowed us again (with Mrs Watling's help) in a very hot hall on Wednesday afternoon. A symphony of ukulele and xylophone playing to a huge audience of special guests was our treat. The children ran us through a repertoire of pieces, showcasing what they have been working on all term. Current Y1 and Y3 will be working with Mrs Watling next year on Listen to Me when they move into Y2 and 4 and will get all of these opportunities to practise and perform.

PTA Summer Fair

A beautiful summer day provided the near perfect conditions for a fabulous summer fair last Saturday. PTA had worked tirelessly in the days and weeks running up to the event, and as many of you have shared with us already, did a great job of organising everything. The takings on the day were really high, resulting in an increased profit on last year of over £1700. This will of course be brought straight back into school to help us buy resources for all of the children, which are invaluable in these times of increasing budget cuts. Thank you on behalf of all of us at Kings Copses for your support with this event.

Y5 Camp

From lunchtime on Thursday, right through to the end of today, Y5 have been busily involved in our annual Y5 camp event. The children (and staff!) threw themselves into it with gusto and had a thoroughly good time. A huge range of activities, from clay faces, pond dipping, shelter building, camp fire singing, movie night and lots of eating were enjoyed by all. Have a look at the blog to follow the fun! I'd like to thank all of the Y5 children for being so brilliant to work with, and particularly all of the staff for their contribution. Without all of them being there in the day and overnight, these events cannot happen. Thank you Team Kings Copses!

Thank you for your continued support

Hayley Ferguson

How should Gareth Southgate motivate England before the quarter final?

PTA Raffle

If you attended the Summer Fair and purchased a raffle ticket PINK 314 please come to the school office by Wednesday 11th July to claim your prize. If this prize is not collected by this date the PTA will re-affle the prize.
