

# Weekly Newsletter

Friday 10<sup>th</sup> February

Discussion of the Week

## Y3 Class Assembly

Another fantastic performance this week from Y3 showing us all about what they have been learning about the Stone Age, cleaning their teeth, times tables, music, programming and great writing. The children were very proud of their work and were confident in sharing it with us all. Thank you to all of you who were able to share their performance and see all of their hard work afterwards. Your time coming in to share with your children is very much appreciated.

## Governor Elections

You should have received a letter that details how you can become involved more in the life of the school by joining the governing body. We would welcome applications from you to take up this fantastic opportunity to help us shape what we do as we continue to move the school forward. It is a very important role and we value the relationship that we have with our governing body. If you have any questions about what the role entails, please contact the school office and we can arrange to chat to you about this.

## Parent Consultations – 8<sup>th</sup> & 9<sup>th</sup> March (4-7pm)

The online booking system for appointments will be up and running from 12pm Friday, 10<sup>th</sup> February. It will remain open until 11.55pm on Friday, 3<sup>rd</sup> March. To make an appointment please use the link on the front page of our website. If you experience difficulties with this or do not have access to a computer, please call the school office and they will make a booking for you.

## Sainsburys Vouchers

Please be aware that we are collecting these vouchers again this year. The box is in the office and we would very much like you to help us build the biggest collection of vouchers that we can!

## Games and puzzles

We are trying to add to our selection of games for wet play and also for lunchtime activities. If you have had a clear out (or are planning one over half term) and you have any complete games or puzzles that you can donate to us, we would be very grateful! Please bring any donations into the school office.

## Breakfast Club

We would like to remind parents of those children who attend Breakfast Club of the daily procedure.

- Breakfast Club is open from 8.00am to 8.40am daily during term-time.
- Parents should bring children into the reception area where they should wait whilst their children go and put away their coat and bags. **Parents are requested not to accompany children to their classrooms.**
- Parents may take their child to the kitchen door where they will be met by Mrs Whieldon or Mrs Surtees. **Parents must not enter the kitchen.**

## School Meal Price Increase

With effect from 1 April 2017 School Meals will increase by five pence to **£2.15**. **If your child has school meals, payment must be for paid in advance or on the day as we can no longer provide meals on credit.**

Hayley Ferguson

Which animal of the Chinese New Year represents the year you were born? Would you say you have this animal's characteristics?

## 10 Golden Tickets

Harvey

Oliver R

Isie
