Friday 16th June

Discussion of the Week

What a lovely, sunny and warm week it has been. I was glad that we chose last Wednesday to do Sports Day as Wednesday this week was very hot and very sunny! Fingers crossed for lovely weather for our **Summer Fair tomorrow** – I am looking forward to seeing you all there. It is not too late for you to offer 30 minutes of your valuable time. Please talk to us if you can!

Art Week (19th June – 23rd June)

All children in every class will be experiencing different art themed activities, alongside their usual curriculum next week. We are going to be having an architectural, sculpture theme, and would like to invite you all in to work alongside your children on Thursday 22nd June from 9 -10am in their classrooms. On Friday 30th June, at 3.20pm, (a week after the end of Art Week) we will be creating a gallery around the school corridors to share and celebrate the success of the children's work.

Expansion update

It was great to see so many of you able to come to the pre-planning consultation event last Monday. Many of our local neighbours also came along to see the first draft of the plans for when our school expands, ready for 15 extra children to come into YR in September 2019. The details were on the letter that was sent to you just after half term. For further information, please follow the link that was on that letter:

<http://consultations.hants.gov.uk/active.aspx>

Y3 and 4 visit the New Forest

Children in Y3 and 4 were fantastic ambassadors for our school through their visit to the New Forest on Tuesday this week. As ever, I thank the staff for their hard work and commitment to prepare everything behind the scenes to enable the children to have such an enriching experience, developing their understanding within the rivers topic. Huge thanks too to our army of volunteers, without whom the trips would not be able to go ahead!

Library

Please note that our library will be closed from Friday 7th July for stock checking, being prepared ready for the next academic year. After this date, only books that are already out on loan may be returned. Please can you help us by looking for any missing or overdue books and return them as soon as possible. We thank you in advance for your help with this.

Scooter Challenge (Monday 19th – Friday 23rd June)

We are going to be taking part in this next week, as part of our continued drive to be reducing the amount of cars using our site and also the roads around it. There is a 'Scoot from your Boot' option, helping those children who live too far away to take part. We look forward to seeing even more of you scooting in next week!

Have a lovely sunny weekend and a Happy Father's Day dads!

Hayley Ferguson

Does every question have the same kind of answer?

Merits

RUBY: Ti'Elle (Y6)
GOLD: Tom K (Y2)
