Friday 26th May

Discussion of the Week

On Monday, we were delighted to be able to invite more than 40 parents in to learn about the value of learning times tables and then practise some of the skills alongside children in the classrooms. We hope you found this a useful experience as we would like to run more events such as these. Please let us know your feedback as it will help us to improve how we present these opportunities in the future.

Y1/2 Circus Day

Juggling Jake was certainly a bit hit with children and staff yesterday. It was amazing to see children learning new skills, showing a wide range of different skills than those we usually see in the classroom! Hula hooping, juggling, uni-cycling, tightrope walking amongst others! Thank you very much to all of you who spared yet more of your valuable time to come in and share this experience with your children.

Transition arrangements

As we begin to approach the end of this academic year, we start to look ahead to the new one. This is an exciting time for children although one which some children begin to feel a little nervous about. We will be supporting them through this exciting time, but as always, if you have any concerns, please talk to us about them.

After half term, the following things will happen:

YR – Children will spend break and lunch time on the main playground with the rest of the school.

Y2 – From Monday 5th June, Y2 children will practise walking themselves around through the KS2 gate in preparation for Y3. We had a practise this morning, and children looked very grown up! Parents, please can you drop them there. Collection will be as normal from the Y2 classroom door.

Warm weather

What a beautiful week of weather we have been having – thanks to you all for enabling your children to be sun safe outside with suncream and hats. Please continue to provide these (named please). Girls can of course wear the summer dresses (or the newer style summer playsuits available in some shops) in the light blue check pattern. It is perfectly fine if they wish to wear black shorts underneath. A reminder also that boys can wear shorts, in black or grey. Otherwise, boys should wear black or grey school style trousers. Uniform is an important part of being part of our school community and we thank you for your support in playing your part in making this happen.

Hayley Ferguson

What is the best thing to do to enjoy the sunny weather?

Merits

SILVER: Farai (Y3)

Outstanding Lunch Accounts

Please ensure that lunch payments are made on the day your child orders a meal or in advance.

Meals will be put on hold if your child's account is in arrears.

Dates for the Diary

22 May: Maths workshop (parents)
25 May: Circus Workshop – Y1/2
29-2 June: Half Term
07 June: Sports Day
12 June: Phonics Screening Year 1
14 June: Reserve Sports Day
17 June: PTA Summer Fair
28 June: Parents Forum
