<p>Choose from one of these 3 jobs</p>	<p><b>Geography –</b> Use this website to be a weather forecaster for the day. Find it at: <a href="http://www.bluesquarething.co.uk/geography/dragdropmap/ukweathermap.htm">http://www.bluesquarething.co.uk/geography/dragdropmap/ukweathermap.htm</a>  or search for bluesquarething weather map</p>	<p>DT – Follow some instructions to help you make or something. It could be making biscuits, playing a board game or building a lego model. Were the instructions useful? Did you notice lots of bossy words like <i>make, cut, put, mix, stick, turn, move etc.?</i></p>	<p>Creative – Make or draw a home for your new 'pet' from the writing activity. Think about what you pet needs. It might need to be soft or hard, strong or delicate, under water or in the air!</p>
