

## Year 2's Home Learning Letter 22.04.20

Good Morning Year 2! Hope you are well and keeping safe. We've reached the half way mark again! Don't forget: [year2teacher@kingsapps.co.uk](mailto:year2teacher@kingsapps.co.uk) or [adminoffice@kingscopse.hants.sch.uk](mailto:adminoffice@kingscopse.hants.sch.uk). I'll reply when I can. 😊

### Spelling:

This is your spelling sentence:

A **camel** was in a **muddle** when he dropped his **parcel** in a **puddle**.

How many other words can you find that end 'el' or 'le'?

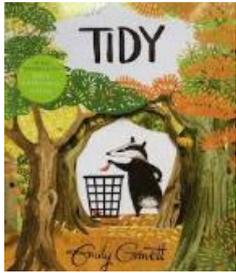

Remember: It is also on Spelling Shed so you can play some games too if you want to.

### Reading:

I would like you to read every day for 15 minutes either on your own or with an adult.

Write down the book you read and the pages. Describe the main character in your book. How do you know they are the most important character?

### Writing:

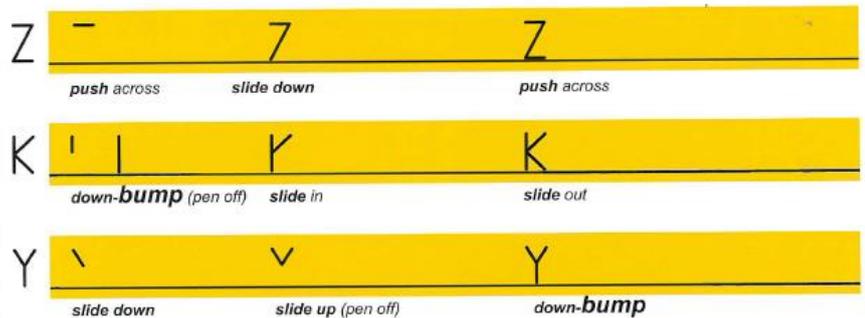

Head over to <https://youtu.be/X844m50JH8Y> and listen to the story. If you haven't been able to hear it, send me an email and I'll forward you a copy. Today, you are going to do some persuasive writing.

Create an advert (as a poster.) to promote Pete's forest-cleaning services. Think of words and phrases that you might use to convince someone that it is the best. Maybe you might offer a special price for the first time customers! Convince me that he is the best badger for the job!

### Handwriting:

Please practise the last three letters in The Sliding Line Group. Remember to do 3 for fluency and then 3 for formation.

(3 individually, then 3 in a row.)

### Maths:

$75 - 26 =$	$6 \times 2$
$12 + 3 + 8 =$	$60 \div 2 =$

**Times tables:** Please log on to maths shed and practise your 2s, 5s and 10s

**Calculation:** Please complete the maths questions. Remember to draw it in a way that helps you. You could use lego bricks to share out, number lines or draw your dienes rods.

*Question:*

We bought 29 cakes. I ate 7, then my sister ate 3. How many cakes have I got left? *Challenge:* Can you write a problem for me using the same style?
