

## Year 2's Home Learning Letter 23.04.20

Good Morning Year 2! Hope you are managing to keep yourself nice and busy. Don't forget:  
[year2teacher@kingsapps.co.uk](mailto:year2teacher@kingsapps.co.uk) or [adminoffice@kingscopse.hants.sch.uk](mailto:adminoffice@kingscopse.hants.sch.uk). I'll reply when I can. 😊

### Spelling:

This is your spelling sentence:

**A camel was in a muddle when he dropped his parcel in a puddle.**

Can you write a silly sentence containing words ending 'le' or 'el'?

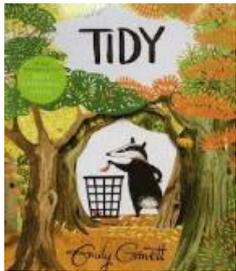

*Remember: It is also on Spelling Shed so you can play some games too if you want to.*

### Reading:

I would like you to read every day for 15 minutes either on your own or with an adult.

Write down the book you read and the pages. Take a picture of yourself reading in an unusual place.

### Writing:

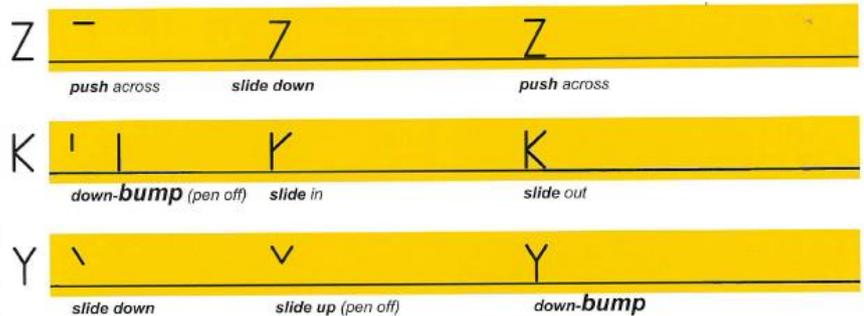

Write a list of the different characters in the story. How do they feel at the beginning of the story? How do they feel in the middle? How has this changed by the end? You might want to do a little table like this or you might want to write it in sentences. I don't mind which you choose.

Character	Beginning	Middle	End
Fox			

Head over to <https://youtu.be/X844m50JH8Y> if you'd like to watch the video again.

### Handwriting:

Please practise the last three letters in The Sliding Line Group. How many words can you think of that begin with these letters?

### Maths:

$45 - 20 - 5 =$  	<b>Double 12</b>  
$17 + 10 + 3 =$	$110 \div 10 =$

**Times tables:** Please draw a number line that counts up in jumps of 3. Now practise counting forwards and backwards using it.

**Calculation:** Please complete the maths questions. *Remember to draw it in a way that helps you. You could use lego bricks to share out, number lines or draw your dienes rods.*

*Question:*

We bought 36 cakes. I ate 8, then my sister ate 2. How many cakes have I got left? *Challenge: Can you show two different ways to work out this problem?*

### Wider curriculum:

**Geography:** Draw a map of your garden or a room in your house. Think about how you might show different areas.

**PE:** Engage in an activity of your choosing. You might want to join Jo Wicks for a 30 minute PE session, complete some cosmic kids yoga, head out for a walk or search for Coach Andy on youtube, which is Rosalie's dad.
