

# Year 5's Home Learning Letter

Friday 24<sup>th</sup> April

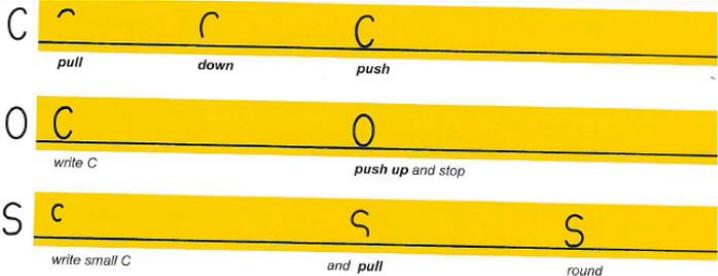

If you have any questions about your learning, want to show me what you've done or would just like to say hello, you can get in touch using: [year5teacher@kingsapps.co.uk](mailto:year5teacher@kingsapps.co.uk) I'd love to hear from you 😊

<b>Halton's Hello!</b>	<p>It's Friiiiiidayyyyyyy! Anyone else got that Friday feeling? 😊 As it's Friday, I thought I'd share something silly with you to make you smile – look at the bottom of your home learning letter for a laugh!</p> <p>I know I talk to you a lot about how important it is to be kind, but I thought I'd share this picture from my book, <i>The Boy, The Mole, The Fox and The Horse</i> to remind you how important it is to be kind to yourselves as well as others. Make sure you do something this weekend that makes you smile – be kind to yourself 😊</p> <p>Love Miss Halton xxx</p>

<b>Spelling</b>	<p><b>Rule:</b> Prefixes –dis and Year 5 words When the prefix –dis, –mis or –re is added to a word, it gives that word the opposite meaning.</p> <p><b>Sentence:</b> The <b>disagreement</b> between two <b>neighbours</b> had <b>insufficient</b> evidence for a judge to <b>interfere</b>. How many other words can you think of that begins with the prefix –mis? Make a list.</p>
-----------------	--

<b>Reading</b>	<p>Draw a picture of what you think might be inside the package. Around the outside, write the evidence from the text which you used to give you clues about what it might be.</p> <p>Then, read your own book for as long as you'd like (but for at least 20 minutes!). Why don't you find a patch of sunshine to read in or snuggle up in your reading den?</p>

<b>English: Writing Challenges</b>	<p>Using what you have learnt so far, choose one of the following three challenges to complete:</p> <ol style="list-style-type: none"> <li>1) Continue the scene where Seren has just been pulled onto the train. Describe the setting, characters and atmosphere through careful selection of vocabulary, sentence grammar and punctuation.</li> <li>2) When Seren finally settles on the train, she takes a moment to reflect on the strange encounter and examine the package more carefully. Write in the 1<sup>st</sup> person to describe her thoughts, feelings and observations.</li> <li>3) The Stationmaster is writing up his daily log. Write down what he might have noticed and commented on from his evening shift at the station. Was there anything routine and normal? Did anything strike him as strange?</li> </ol>
------------------------------------	---

<b>Handwriting</b>		<p>It's time for CAPITAL LETTERS! Write each letter out 3 times quickly to practise your fluency and then 3 times carefully to practise your letter formation. Then, write five words which start with these letters. Don't forget to draw your trees! 😊</p>

<b>Maths: Measures</b>	<p><b>Step One:</b> Use &lt;, &gt; or = to complete the statements below:</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <tr> <td style="padding: 5px;">750g</td> <td style="width: 50px;"></td> <td style="padding: 5px;">0.8kg</td> </tr> <tr> <td style="padding: 5px;">500ml</td> <td></td> <td style="padding: 5px;">Half a litre</td> </tr> <tr> <td style="padding: 5px;">17mm</td> <td></td> <td style="padding: 5px;">2cm</td> </tr> </table> <p><b>Step Two:</b> Adam makes 2.5 litres of lemonade for a charity event. He pours it into 650ml glasses to sell. He thinks he can sell 7 glasses. Is he correct? Prove it! You could always draw a picture to help yourself 'see' the problem.</p> <p><b>Step Three:</b> A 5p coin has a thickness of 1.6mm. Jack makes a tower of 5p coins worth 90p. What is the height of the coins in cm? HINT: First work out how many 5p coins would make 90p!</p> <p><i>If you're finding the maths on our learning sheet too easy or too tricky, you can always try the maths on this website instead! <p>Choose one or more of the activities for today:</p>	RE	<p>The Islamic holy month of Ramadan began this week. Ramadan is a very important time in the Islamic calendar, and Muslims all over the world will be preparing to take part. This year's Ramadan will be a bit different, as the coronavirus outbreak means that many people will not be able to visit friends and family, or their local Mosque. This is because of worldwide 'lockdowns' which are helping to stop the spread of the disease.</p> <p>Find out about what Muslims traditionally do during this month, and why it is so important to them.</p> <p>You could use this website to help: <a href="https://www.bbc.co.uk/newsround/23286976">https://www.bbc.co.uk/newsround/23286976</a></p>

Yep. That's me. And yep, that's my rabbit, Ted. We've been doing quizzes with our friends and family and we made a round where we re-created famous movie scenes! I hope this picture makes you laugh - I showed my Grandma and she couldn't speak because she was laughing too much!

(And no, those aren't my real legs!)

Can anyone guess what movie this is from? If anyone fancies re-creating their own scenes from movies, I would LOVE to see some!
