

# Weekly Newsletter

Friday 11<sup>th</sup> October

Discussion of the Week

Today marks the end of 1K a day. The children have now each walked in the region of 10k each, so a total of more than 2000k across our school! Well done everyone. Sponsor money has begun to come in, and we will be collecting it up for the whole of next week. Along with the TEAM Kings Copse funds from the disco/BBQ event two weeks ago, we are hoping to be able to buy far more than just goal posts to make our school even better! We would like to repaint the playground, but new netball posts and maybe even replace the rotting wooden sleepers if we raise lots! Thank you for your help with this – the children’s hard earned sponsor money is going to be well spent!

### Parent forum

This is a great opportunity to work together with us to help to continually to build the better version of ourselves. Your input is always valued. At the last meeting, we discussed changing the dates and times to provide more variation. The date for the next half term will be Friday 22<sup>nd</sup> November after drop off (at 9am). Refreshments will be available, courtesy of TEAM Kings Copse. There will be an opportunity to input into what the agendas of upcoming meetings will be, and also when the meetings will be. I hope that lots of you will be able to meet it.

### Safety of children outside school

Thank you to all of you who continually to park responsibly and safely, helping us to build and maintain good relationships with our neighbours. You will I am sure have been aware of the continued presence of traffic wardens who have been talking /to drivers and have also been issuing tickets to some people. Mrs King (our lollipop lady directly outside school) reports that she has been able to stand on the correct side of the road this week, which helps her to safeguard children crossing the road in the best way. She has reported really positive messages about safety this week, which is great to hear.

### Book fair

This year, Year 6 are taking over the book fair...and the newsletter! In the last few weeks, we have been placing posters around school and writing book reviews or persuasive leaflets/posters to encourage as many children as possible to come to the book fair. Today, KS2 children have had a chance to browse the wonderful range of books available. KS1 will have an opportunity to search through the fantastic books on Monday afternoon to find the book of their dreams. The brilliant book fair will be open for purchases from **Monday to Wednesday** at 3:20pm – we will be there to help you find a book that takes your interest or suggest exciting books that we enjoy reading. On Tuesday at 9am, the children that go home in taxis will have a chance to buy any books that they are interested in. Every sale of these amazing and fantastically priced books goes towards earning free texts for our school. There are stories and non-fiction texts that are suitable for children from the age of 2 and beyond. We look forward to seeing you there and smashing our £850 target!

*Enjoy the weekend!*

*Hayley Ferguson*

### What is a mistake?

#### Famous birthday of the week

Matt le Tissier  
1968 -

#### Merits/Team points

Due to photographs today, merits will be awarded in assembly on Monday
