8<sup>th</sup> – 22<sup>nd</sup> April – Easter Holidays

### Letter sent out this week

Club Letter

## This week's winning team

# ASH

There have been no further formal updates about building work. Thank you for your patience with this. The local authority continue to work with the administrators on following the formal process that supports what happens next. I will let you know any developments as we get them.

### The Big Pedal

We are well underway now with the Big Pedal which we are taking part in along with a few of our other cluster schools. There has definitely been more bikes and scooters around which is great for fitness, mental health and the environment. It also helps us to continue to promote sustainable transport within our community. The weather has absolutely been smiling on us this week! Thank you for your help with this. Next Tuesday children can bling their bikes or scooters using a superhero theme and we will judge a winner for a lovely prize! Next Friday we will be taking part in the Superhero theme that ends the Big Pedal by giving children the opportunity to design a superhero mask in school.

### World Autism Awareness Week

Next week is World Autism Awareness Week. We will be taking part in this at Kings Copse. The children will be thinking about the fact that everyone is different and how we should be kind and celebrate these differences. We will be talking about individual strengths and difficulties and that some difficulties can be hidden.

We welcome any parents on Thursday from 2pm to come in to have a cup of tea and a chat about Autism, whether your child has a diagnosis, or going through assessment procedures or even if you would like to learn more about Autism. Mrs Sellars (Inclusion Support Assistant), Mrs Glyn-Davies (Autism Ambassador) and Mrs Darling-Chalke (SENCo) will be available to chat to. Other parents are also full of advice and help so please come along!

### YR Class Assembly

The children in YR wowed us all yesterday with their first ever class assembly. Despite being faced with a large audience, the children all mustered up their loudest voices and 'oo-ars' to be able to entertain us all. Dragon dancing, bike riding, a counting song and a wide range of people who help us were performed confidently by all of the children. Well done YR! Thanks to the team who helped the children to be so well prepared for the first of many future showcases!

We continue to be on the hunt for Lego too, please let us know if you have any you would like to donate! We would be very happy recipients of any donations.

*Have a good weekend!*

*Hayley Ferguson*
