Discussion of the Week

Y4 Class Assembly

Y4 were determined to ensure that their class assembly entertained us like no other had done and they did not disappoint. The children shared their confidence and their talent through their dance moves, poetry, travel guides, portraits in collage, French counting and greetings, finished off with careful observations from the children about what makes each other a good friend. Every one of the children shone in confidence, and were able to show a huge audience of visitors a snippet of what they have been working on since September. Thank you to all of you who were able to attend.

World Book Day

There has been a World Book Day buzz in school today. Always one of my favourite days of the year, where we are able to share and promote a love of books and learning knowledge through reading with children. A wide variety of activities took place in mixed Y1/2/3 and Y4/5/6 groups this morning based on poems. Children were really excited about what they were doing and keen to talk about this. Y5 children went to read with YR children this afternoon. One of the best bits about being a primary school is being able to mix children up like this and allow children to learn together and be role models for each other. We had a spectacular Cake-a-thon this afternoon! Huge thanks to those of you who provided cakes for consumption and donation, for our Macmillan Coffee event to take place. It was great to see so many people able to come and share a cake and story with their children. We managed to raise a total of £302.61 from the afternoon alone. This is amazing! After school more cakes were sold which will add to this total. There are a few cakes remaining, so if you still want a cake on Monday, we will be able to help with that! We will donate all of the proceeds to Macmillan, which is always a very deserving cause.

Building work update

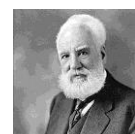

The build project is running well. I have regular meetings and updates with the site manager so that we stay up to speed with what is happening. The internal floor work, fixing up the walls and remedial work to the roof all seems to be going well, and the schedule for work is projected to complete by mid August at the latest. As always, I will keep you up to date with this. I am still trying to secure a date for parent tours, which will form part of the next **Parent Forum**. There is also planned to be an assembly by the building team and Rachel our architect coming up soon to keep the children fully informed of what is happening.

Thanks for your continued support and involvement. Have a great weekend.

Hayley Ferguson

Who do you motivate?

Birthday of the Week

Alexander Graham
Bell
1847 - 1922

Merits

Bronze – Isla B (Y1)

Gold – Ti'Annah (Y3)

Ruby – Austin M (Y3)

Sapphire – Olly B (Y4)

Diamond – Farai (Y6)

Amethyst – Alice (Y5)

Dates for Diary

12th March – Y1 Class Assembly at 2.30pm and work sharing

18th & 19th March – Parents Evening
(Online 6th March until 16th March)

26th March – YR Class Assembly at 2.30pm followed by work sharing

Lost Property

Our lost property box is overflowing again! Please come in and have a look.

Be the best that you can be!

Izzy S (Y5)

White belt for Karate

We are proud of you.
