

# Year 6's Home Learning Letter

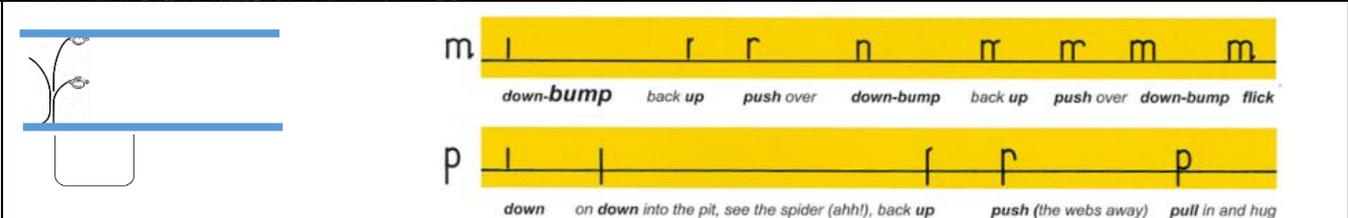

25.3.2020

Hi Year 6. It's Wednesday already! I hope you've enjoyed your first couple of days of activities. ☺

Thank you to those of you that have sent me pictures of your brilliant work; it has been lovely to see how you've been getting on. I'd love to hear from the rest of you at [year6teacher@kingsapps.co.uk](mailto:year6teacher@kingsapps.co.uk) or [adminoffice@kingscopse.hants.sch.uk](mailto:adminoffice@kingscopse.hants.sch.uk)

Love Miss Wylde

Spelling	<p><b>Rule:</b> Words from the Year 5/6 Statutory Spelling List.</p> <p><b>Spelling sentence:</b> The <b>marvellous</b> children at Kings Copse care about their <b>environment</b>; they are an asset to their <b>community</b>.</p> <p>Continue to practise your spelling sentence (remember – you can practise on Spelling Shed too!) Think about all of the different techniques you could use to help you – maybe today you could try 'look, cover, write, check' to see how well you can remember the trickier words.</p>
Reading	<p>Spend at least 15 minutes reading a book – you could read quietly to yourself or share a story with a member of your family.</p> <p>What is the theme of the book that you are reading? Here are some examples to help you. Explain why you have chosen a particular them and find some evidence from the text to prove it. Don't forget your PJs!</p> <p style="text-align: center;"><b>Perseverance Responsibility Love</b>  <b>Acceptance Friendship Kindness</b>  <b>Cooperation Honesty Journey</b>  <b>War and Peace Overcoming obstacles</b>  <b>Isolation Betrayal Escape</b>  <b>Compassion Good vs. Evil Hope</b>  <b>Courage Jealousy Heroism</b></p>
Writing	 <p>Write the build up to your story today.</p> <p>Think about your protagonist.          What are they doing?          What is their everyday life like and how is that changing?          Has something exciting happened? Something interesting?          Something worrying?          Don't get to your big problem yet though – we'll look at that tomorrow!</p>
Handwriting	 <p>Practise m and p from the jumper family. Write five words which use an m and five which use a p. Don't forget to draw your trees in the margin! ☺</p>
Maths	<p>Did you find out that <math>\frac{1}{8}</math>, 0.125 and 12.5% are all an eighth of the whole? 1 divided by 8 equals <math>\frac{1}{8}</math> or 0.125 as a decimal, whilst 100% divided by 8 equals 12.5%.</p> <p>Remind yourself of your formal written method for multiplication today. Don't forget that place holder zero when you multiply your tens number!</p> <p style="text-align: center;">364 x 12 =    237 x 24 =    1728 x 54 =    4738 x 16 =    5843 x 38 =    3754 x 59 =    6288 x 72 =</p> <p>I'll give you the answers tomorrow. Why not challenge yourself with a few of your own?</p>
SPaG	<p>Find antonyms (words with opposite meanings) of the following words and use them in a sentence.</p> <p style="text-align: center;">old                      hot                      small                      grow                      easy                      sad</p>
<b>Wider Curriculum</b>	
French	<p>Create a poster to introduce yourself in French. Make it as bright and colourful as you can. Perhaps you could include your name, age, appearance, family, hobbies, favourite food/animal/book/film/band etc. Here are some phrases to help you:</p> <p style="text-align: center;"><i>Je m'appelle...</i> (My name is)    <i>J'aime...</i> (I like)    <i>Je n'aime pas...</i> (I do not like)  <i>J'habite à...</i> (I live in)    <i>Ma famille...</i> (My family)    <i>J'ai...</i> (I have)    <i>Je suis...</i> (I am)</p>
PE	<p>Have a look on YouTube for some PE activities. As you may already know, 'The Body Coach' Joe Wicks is doing daily PE sessions at 9am. There are also GoNoodle videos or Cosmic Kids Yoga if you'd prefer.</p>
